

# CHERUKURU INDRASENA REDDY

## FULLSTACK DEVELOPER

+91-9177468511 | [indrasena0018@gmail.com](mailto:indrasena0018@gmail.com) | Chennai,TamilNadu, India.  
<https://indra211.github.io/myportfolio/>

## CAREER OBJECTIVE

Seeking a Full Stack Developer role to leverage my one year of experience. Proficient in React Native for mobile, React.js for web, and implementing push notifications. Skilled in backend development using FastAPI, Django, and the MERN stack, with a focus on delivering scalable solutions and contributing innovative ideas in a team environment.

## EXPERIENCE

### FULL STACK DEVELOPER

Destratum Solutions Pvt Ltd.

01-2023 to Current

Chennai,TamilNadu,India

- Implemented a secure backend architecture using FastAPI and MongoDB, focusing on building scalable APIs. Integrated JWT authentication and designed a robust RBAC (Role-Based Access Control) system to manage user permissions efficiently and ensure data security.
- Designed and developed responsive, dynamic user interfaces using React, ensuring a seamless and intuitive experience across different devices. Focused on delivering high-performance web applications with clean, user-friendly designs.
- Integrated push notifications using Google Firebase, allowing for real-time updates and improving user engagement through timely alerts and notifications.

## EDUCATION

Bachelor of Technology in Electrical and Electronics Engineering

May-2023

Audisankara College of Engineering and Technology Gudur,Ap.

CGPA:8.54/10.0

## SKILLS

**Languages :** Javascript , Python

**Frameworks:** ReactJs, React-Native, FASTAPI, Django, ExpressJs, NextJs, NuxtJs.

**Databases :** MongoDB , MySQL(SQL)

**Cloud :** AWS

**IDE :** Visual Studio Code

**Version Control:** Git & GitHub.

## PROJECTS

### Fileshub

- Developed Files Hub, a secure file management application allowing users to log in and manage their files efficiently.
- Implemented user authentication to ensure secure access to personal accounts and file storage.
- Designed an intuitive interface for users to upload, organize, and access their files seamlessly.
