PROFILE

As a Full stack Developer, I specialize in React Native and Django for mobile app development. I create seamless, user-centric experiences by combining React Native's frontend agility with Django's robust backend capabilities. Experienced in designing scalable architectures and implementing RESTful APIs, I deliver cross-platform solutions that prioritize performance and user satisfaction.

EXPERINCE

Jun(2023) - Present

Full Stack Developer | Destratum Solutions Pvt Ltd. | Chennai , TamilNadu.

As a Full Stack Developer, I played a pivotal role in the successful development by using React-Native and integration of a cross-platform mobile application with a Django backend. This project aimed to provide users with a seamless experience across iOS and Android devices while ensuring a robust and scalable server-side architecture. End-to-End Integration Optimized API Communication User Authentication and Authorization Scalable Django Backend Push Notifcations Cross-Functional Collaboration.

Jan(2023) – May(2023)

Junior Full Stack Developer | Destratum Solutions Pvt Ltd. | Chennai , TamilNadu.

EDUCATION

May 2023
